Society: Entrepreneurship Society
Designation:
Vice President
Experience:
My name is adeel ahmad. I am a student of computer science and I work as a freelancer on many online platforms providing services of web development. As being a freelancer I have some expertise of how to choose your career and how to develop new technicall skills and become a successful person and making your good career. I will happy to help the students of AWKUM with my knowledge and help them in becoming a successful persons.

Note:
• Equal opportunity for both Male and Female Students.
• Submit this form in the Office of Provost.
